Break up for Summer

Quad kids competition— We sent 2 teams to the Quad Kids Athletics at Kineton on Monday 21st May, involving 32 children from years 3-6. Each child took part in 4 events - a sprint, a long distance run, a throw and a long jump. The morning was great with strong performances in each event. Henley A team came 2nd in the Year 3/4 competition and 3rd in the Year 5/6 competition. Well done to all of the children who took part and thank you to the parents and grandparents who helped with the transport.

Science Fair—letters for the Science Fair were sent out this week. Check the school bags for the letters.

Nursery school places—if you know of any parents looking for a place in our Nursery for their child in September, please contact the school office. They must turn 4 during the year.

GDPR— The Privacy notice for General Data Protection Regulation compliance is now on the policy page of our website. Please visit our website to read the notice [http://](http://www.henleyinardenprimary.org.uk/parents/policies/)

Curriculum reminder —each term the class teachers post a short blog about what we will be learning that term or half term and updates are given on current learning. Visit the individual classes page on our website to what's happening.

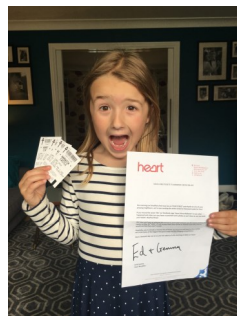

Class assemblies—well done to Y1 for their fantastic assembly this morning. To Year 5 who performed a very informative class assembly on the Mayans. To Year 3 who took us back to the Roman times and wowed us with their singing and performing. It's not easy standing up and performing in front of a large audience but our children always make us proud of their acting, singing, learning of words and performances. Well done everyone. And finally, thank you for your continued support with home learning, costumes, reading and spellings to name a few. We hope you all have a lovely half term break and see you on Monday 4th June.

Royal Tea Party - Henley style.

The day started with Sophie Jones in Y1 winning a competition on Heart FM radio station. She won 4 tickets for every household on Prince Harry Road to visit Warwick castle. Fantastic news Sophie!

The day continued with the whole school dressing to impress, in blue, white and red clothing. They each had made a crown at home, which were fit for any king and queen. During the afternoon, the children took part in the Royal games. They rode on toy horses, threw wellies and played croquet. After all the fun, the children ate their royal picnics in the banquet hall, which looked fabulous, decorated with homemade bunting, placemats and table decorations. A thoroughly enjoyable afternoon which was a great success!

Thank you for your support with our Royal Tea Party
