Break up for Christmas holidays

CHRISTMAS HOLIDAYS**Monday 7th January 2019:**

Staff training day

Tuesday 8th January—Children

return to school.

Busy, busy, busy! Lots of exciting activities have been happening in school over the past few weeks. The children have all been working very hard and are clearly making visible progress. Please remember to check out what each class is learning about on our website www.henleyinardenprimary.org.uk/ which very soon will have a brand new look and design to it. Everything you need to know is there. If you can't find what you are looking for please contact your child's class teacher.

Parents' Evening: Parent consultations will take place on **Tuesday 23rd October** (3.40-5.20) and **Wednesday 24th October** (4.30-7.20) to discuss how your child has settled in to their new class and new targets set. The sign-up sheets will be in the entrance hall today.

Invitation: Our Harvest service will be led by Year 3 and 4 and will take place in St. John's church on Tuesday 23rd October. Please note the date change. Donations can be brought into school from Monday 22nd October. These will be sent to the Stratford Food bank. See their website for ideas <https://stratforduponavon.foodbank.org.uk/>

Keeping healthy and fit: Changemakers visited school last week to introduce their programme to the children, working with each class throughout the day. Letters have been sent out for you to join in with this activity, which starts on Tuesday 16th October.

Ofsted: recently we received the HMI inspectors into school. The report will be with us shortly and we will send you a copy as soon as it arrives.

Book Fair: next week the book fair will be open in the school hall from 8.30am each morning and after school.

Football: Well done to the Y5/6 boys football team who played at Claverdon this week in their first league game. It was a very close game with the final score ending at 2-2. Well done to all of the boys. In addition, our Y3/4 boys football team played extremely well against Claverdon in a friendly game and did themselves proud. Several supporters commented on the positive sportsmanship shown by our Henley children. Good luck to the girls football teams who will be playing soon in their first league game.

PE kit: A reminder for PE kit to be in school all of the time. Several children are forgetting their kit and unfortunately, we are unable to make phone calls home every time a child doesn't have their kit.

Cross country event: On Thursday 18th October, there will be a whole school inter-house cross country event, so please make sure that your child's kits is in school that day, along with water to drink.

Attendance—Please remember to call the school office **before 9.00am**, if your child is absent. If no phone call is made and we cannot contact you, your child will receive an unauthorised absence on the register. Our current attendance figure is 97.31% for this week and

TERM DATES FOR 2018-2019	
Term 1	4th September 2018 – 21st
	Half term: 26th October —

	Half term: 18th - 22nd
Term 3	29th April - 19th July 2019
	Half term: 27th May – 3rd June 2019

Year 6

Last week Year 6 took part in a growth mindset workshop. Growth mindset is a concept that refers to how we face challenges and setbacks. The workshop looked at how to build resilience, along with experimenting and practising ideas which are key to getting better at things that challenge us.

Year 5

Year 5 came to school dressed as Tudors armed with their DWYLHL for their Tudor Day. They started by cooking a Tudor meal of pottage and bread then went about finding out about what it was like to live like a Tudor. They then discovered the events of the Spanish Armada and finally, set up and organised a Tudor museum for all of the parents to visit. A great day was had by all. Thank you to the parents for helping with the cooking, providing fantastic costumes and for being a real life audience at our Tudor museum.

Year 4

Year 4 have been using bar models to help them convert m to km and explore whole and parts of a measurement. We have also been working on a script for a TV news report. We will be time travelling to report on the Viking invasions.

Year 3

Year 3 had a great time at their Tesco trip. They looked at all of the different foods on the speciality counters and went behind the scenes to see the fridges and freezers. They were quite cold! They also saw the giant bread mixing machine and how they produce thousands of bread rolls in a day.

Year 2

Year 2 have been helping the pirates, who have had various problems. Firstly, Pete Parrot kept spilling water all over the ship. We tested different materials to find the most absorbent. Another day, the pirate ship kept sinking so we had to design and make another ship suitable for the pirates. We tested them in water and adapted them as we needed.

Year 1

Year 1 have been busy writing Paddington stories. We have learnt about some of the famous buildings in London and made marmalade on toast. Last Tuesday we visited St John's church, we took photos of the different parts of the church and drew some of them.

Reception and Nursery

Nursery and Reception have been learning all about Autumn. We have read a great book called 'Leaf Man' and created our own Leaf Man! We have also been creating pictures in Autumn colours and in Finger Gym, we have had to transfer conkers from one container to another in a variety of challenges, including with our eyes closed!

Henley C of E Primary School Open Evening
Wednesday 14th November, 6.00-7.30pm

Give your children the best start in life by enrolling them at Henley-in-Arden CE Primary School
